

Chebeague Rec Center
Chili, Chowder, Soup Sale
February 26, 2022

This year, we aren't able to host everyone in the Rec Center gym and taste everyone's chilis, chowders, and soups as we thought we would have been able to. But we still want to give Chebeaguers a chance to connect over homemade food. We will be selling to-go cups out the front window of the Rec, so that everyone can take a cup of their favorite recipe home to enjoy.

If you're interested in participating as a cook this year, here's what you need to know:

- When you register online (ChebeagueRec.com), let us know what type of food you'll be making AND how much of it you are able to make.
 - We request that each cook makes at least 1 gallon of food
- While cooking your chili, chowder, or soup, wear a mask. Make sure to wash your hands and sanitize your cooking area.
- Package your food into to-go containers (CRC will provide them to you). We will also provide labels - make sure each cup is labeled.
- Deliver your cups to the CRC on Saturday, February 26 between 9-10am.
- Your food doesn't need to be kept hot - because we will be selling them to go, customers will need to reheat them when they get home.
- Cups will be sold out the front window of the CRC on 2/26 at 11:30am for \$5/each.

We appreciate your continued support of the CRC and look forward to sharing your recipes with the Chebeague community. If you have any questions or concerns, you can email Kiran Grewal at kgrewal@islandinstitute.org. Thank you!
